

## A taste of Gällivare.

### Guided tour through past, now and future.

I give you an insight into how life has been for a hundred years ago and how it's now and in the future. We start the walk at the Touristcenter/Railroadstation and finish at "Re-form", the informationcenter about the urban transformation.

You also get to taste some of our local specialities.

**Time/Length:** ca 1,5 hour – ca 1,5 km
